

## **CWA District 9 Frontier Bargaining Update March 31, 2022**

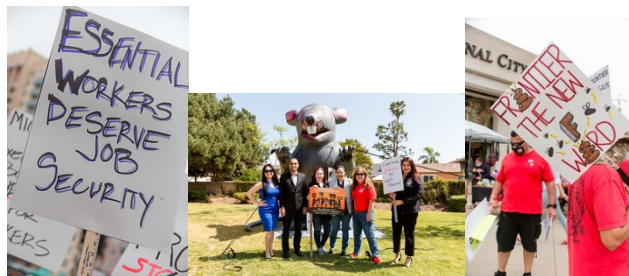

We met with the Company today and discussed in detail California Paid Sick Leave. We had met with Legal Counsel on this subject and proposed to the Company our language that allows our members to utilize CPSL as a true sick benefit.

The Company is taking back our proposed language on CPSL and we will meet on this at our next meeting. The Company is still reviewing our position on Healthcare and we will also be discussing in our next meeting.

We will be meeting with your Local Presidents on Friday to review the status of our bargaining process in our efforts to get a fair contract.
