

## **Frontier Bargaining Report #4**

**9/3/2025**

Today your bargaining team met with Frontier, it was not a productive meeting. The Union presented proposals on Articles 19, 24 & 30. The Company presented a proposal on Healthcare Contributions that was outrageous and insulting to all our hard working and dedicated Union members, the proposal included increases of over 60% to various items. The fight is bigger than ever and the need all members to mobilize, your bargaining team needs your support to win a fair contract. Tomorrow is RED SHIRT Thursday so please show your support and solidarity and WEAR RED.

**REMINDER: WORK TO THE RULE, STAND BY, STAND READY, UNITED WE BARGAIN, DIVIDED WE BEG. WE ARE THE NETWORK!**

We appreciate the solid support received during Red Thursday and Black Friday and are proud to be here to represent!
