

# ■ RALLY FOR FAIR REPRESENTATION ■

**UnWired Broadband** is a Fresno, CA-headquartered company that has received millions of dollars in public funding from the State of California.

UnWired workers voted for CWA to represent them and the NLRB Region 32 certified CWA as the representative on **September 25, 2025**.

UnWired employees have **chosen CWA as their union** – now it's time for management to respect workers' voices.

We demand that UnWired **come to the table and bargain in good faith** for fair pay, healthcare, job security, and dignity at work.
