

**CWA District 9
Frontier Bargaining Update
May 25, 2022**

Your Bargaining Committee met with the Company today with no real progress. Despite the Union's continued efforts to offer respectable counter proposals on Wages, Healthcare and Job Security, the Company responded with we are not living in the "REAL WORLD" asking for Job Security to the end of the contract, in fact, we were told it is "UNREALISTIC." The Company continues to disrespect all of us by showing no interest in moving Job Security to the end of the contract or including the employees hired after April 1, 2016.

We Need to Show Them OUR Real World!
